WEST LAFAYETTE, Ind. — Democrat Vicky Woeste and Republican Sally Siegrist have set dates to fulfill a portion of their “Positive Campaign Pledge” signed earlier this year.

The Indiana House District 26 candidates had agreed to take questions from journalists and the public sometime before the general election. They announced Friday that voters will have two opportunities to see them outline their positions in a public forum.

The Purdue College Democrats and Purdue College Republicans are sponsoring the first event, which is at 7 p.m. Sept. 22 in Room 1010 of The Neil Armstrong Hall of Engineering at Purdue University in West Lafayette.

The Lafayette League of Women Voters is sponsoring the second forum, which will take place at 7 p.m. Sept. 29 at the Wabash Township Volunteer Fire Department at 2899 Klondike Road in West Lafayette.

Both events are free and open to the public.

Woeste and Siegrist also agreed to avoid attacking each other's character or misrepresenting each other's records. Both candidates are running to replace outgoing Republican Randy Truitt.
