LETTER TO THE EDITOR

A good forum for Indiana House District 26 candidates

A very big thank you to the candidates for Indiana House District 26, Vicky Woeste and Sally Siegrist, for sharing their time and thoughts with over 60 individuals at the candidate forum hosted by the League of Women Voters of Greater Lafayette on Sept. 29.

Topics covered included kindergarten- to-college education, gun violence, mental health, civil rights issues and more. The questions from the audience at the Wabash Township Fire Station provided a variety of issues to discuss.

Thanks to the staff of the fire station for their support. The local media is encouraged to increase their coverage of our local elections as the campaigns continue.
