

# Wabash River Water Quality Improvement Projects Brown Bag Luncheon

Bring your lunch and join us for an important community update on the construction projects protecting our waterway.

Brad Talley, City of Lafayette, and Dave Henderson, City of West Lafayette, will talk about the Combined Sewer Overflows projects.

Beverages and dessert will be provided by the League of Women Voters of Greater Lafayette

Tuesday, March 21, Noon  
Tippecanoe Room, Main Floor of the  
Tippecanoe County Office Building  
3rd & Columbia, Lafayette

The League of Women Voters of Greater Lafayette's  
Environmental and Sustainability Issues Committee
